

## Faiths for Climate Justice 2022

### Social Media Tool Kit

**From 02 October to 06 November 2022, leading up to global climate negotiations, people of diverse religions will rise with 3 demands:**

- an immediate end to new fossil fuel and deforestation
- an equitable phase-out of existing fossil fuel production
- a massive, generous commitment by wealthy countries to a just energy transition.

Please use this toolkit to amplify Faiths 4 Climate Justice on social media. It includes graphics, photos, hashtags, links, a QR code, sample social media copy, and more information about banners.
